Farmingville, NY - On February 9, Councilwoman Jane Bonner was delighted to attend a celebration honoring Anna Mario of Port Jefferson, on the occasion of her 104th Birthday. The event was held at the Town's Rose Caracappa Senior Center in Mount Sinai. Four times a week, this active centenarian takes the Town's jitney bus to play poker and join in the other activities at the Senior Center. Anna enjoyed the day surrounded by friends and family members.

"One hundred and four years is a long time," acknowledged Councilwoman Bonner. "The myriad of changes that have occurred, and the events you've lived through during that time period, how amazing! I'm honored to know you."
